

Hitler's Sexuality

Hitler's close boyhood friend from Linz, August Kubizek, wrote *Adolf Hitler, Mein Jugendfreund* (My Youth Friend), "Adolf did not engage in love affairs or flirtations. He always rejected the coquettish advances of girls or women. Women and girls took an interest in him but he always evaded their endeavours."

Later August Kubizek set up house with Hitler in Vienna a year after he had been rejected by Vienna's Academy of Fine Arts (Akademie De Bildenden Künste). The two used to go for long walks in the woods, and when it rained took shelter in a shed and rolled naked in tarpaulins.¹

During deconstruction, it is customary that the person is sexually abused in the manner which is most embarrassing to that person. In Hitler's case, he was sodomised, creating a submissive distant respect for homosexuals like his bodyguards and some of his highest-placed leaders. His natural bent was developed into coprophilia (being shat on). The colloquialism for this is 'scat'.²

With each deconstruction an embarrassing addiction is developed and filmed. With Hitler it was sadomasochism, coprophilia and homosexuality. That is, he liked to be verbally abused and slapped around, to have his head urinated on, his chest shat on, and to have sex with men. This made him vulnerable to ridicule by his partners, and mention of it was a coded access to his subconscious, making him vulnerable to cross-purpose.

The British had been deconstructing people for some time and the Red Army began training spies using sexual deconstruction from the very beginning of the Soviet State. The very first semester started at Frunze in 1920 and ended in gang-bangs every night. It was a classic British Intelligence technique but without the homosexuality. Most of the instructors were ex-British Intelligence.

On 24 May 1913 Hitler left Vienna and moved to the bohemian gay neighbourhood of Munich. The men's shelter at MA12, Haus Meldemannstrasse in Munich was described by a wealthy well-connected

¹ *Was Hitler Gay?*

² This trait was continued by his doctor (Dr Morell) who spooned out Hitler's faeces.
